IDEAL FOR CHILDREN. Many children suffer from constipation, which is often the cause of seeming stupidity at lessons. Chamberlain's Tablets are an ideal medicine to give a child, for they are mild and gentle in their effect and will relieve even chronic constipation.

READ THIS LETTER. Manager of a General Grocery Store, High Street, St. Kilda, writes 20th September, 1916.

CLEMENTS TONIC LTD. "I think your medicine might be compared to a good gardener. I believe in taking a bottle of it every 5 or six weeks, it keeps me well. We are all apt to get negligent about our health. I allowed my nervous system to get unstrung, but it is good to know a medicine that strengthens the system quickly. I found Clements Tonic very satisfactory. I am sure no one could wish for a better medicine for the liver and nerves."

(Signed) HARRY N. SYMONS. Miss D. SMITH, writes from her business house, 208 Carlyle Street, St. Kilda, 20th Sept., 1916.

CLEMENTS TONIC LTD. "I endorse what has been published regarding the health restoring properties of your medicine. It has been taken by several members of my family and in every instance it has fulfilled its claim. Speaking for myself I have found Clements Tonic wonderfully beneficial to my health whenever the strain of business is affecting me, and when my strength is on the decline I always resort to Clements Tonic. It keeps me in good health and gives me fresh energy for which I am thankful."

BEWARE OF PAIN. THE HERALD OF PNEUMONIA.

The Western (N.S.W.) doctors (vide Lidger's Mercury, Sept. 30, 1918), declare that the present influenza is abnormal—"the real thing"—and that "carelessness will, in almost every case, bring on pneumonia." The moment you feel a numb contraction in the chest, beware!—that peculiar pain in the breast, Wawa's Wonder-Wool is thoroughly impregnated with specially selected pain-relieving essences, whose soothing virtues and healing properties are felt immediately. But do not wait till attacked, as the chemist may be sold out or shut. Keep it in the house; it is essential. Bad as is the present epidemic it may only be the forerunner of worse. People elsewhere are dropping in the street. Wawa's Wonder-Wool is on sale by all chemists and stores, price 2/6 or direct from Southouse and Craig, Ltd., Melbourne.
